#### **Attendance of sheep from scrapie monitored flocks at shows and sales in 2011**

Shows between 1st May and 31st October

Sheep from Scrapie Monitored Flocks will be permitted to attend agricultural shows taking place between 1st May & 31st October without restriction or separation from other categories of sheep.

For shows taking place before May 1st or after 31st October, sheep from scrapie monitored or probationary flocks must be separated from other sheep as follows:

- a. There must be complete separation of monitored/probationary sheep from other categories of sheep at the show. Ideally, this would mean a separate entrance and exit for each group, separate loading and unloading areas, separate penning areas for each of the two groups.
- b. In locations where all of the above may not be possible, the minimum requirement would be the separate loading and unloading and also of penning areas. The two areas should be separate by a sheep-free alleyway, at least 12 feet wide. If only one show-ring is available, the sheep from the scrapie-monitored flocks must be shown first.
